 - b) Abandonment or cancellation of the meeting after the commencement of documentation.

5. COMPETITOR REQUIREMENTS AND UNDERSTANDING:

5.1 Licence Requirements

Drivers in race classes must hold as a minimum a C1 Grade Competition Licence.

Drivers in the Classic Trial must hold as a minimum an M Grade Competition Licence

If the Entrant is other than a driver, an Entrant's licence in the name of the Entrant is required.

5.2 New Drivers

Any driver(s) who have not previously competed at this circuit OR who have not competed at ANY circuit for two or more years OR who have not yet completed a total of three (3) race meetings at any circuit, must indicate the fact during the on-line entry process or on the manual entry form, and attend the New Competitors' Briefing session. The time and place for this briefing will be detailed in Part Two of these regulations.

5.3 Competitor Understanding

In signing the entry forms competitors (Entrant and Drivers) are deemed to fully understand the MotorSport NZ National Sporting Code and its relevant Appendices and Schedules, in particular:

- The National Sporting Code Articles pertaining to protests and competitors' obligations, and
- Schedule Z articles detailing Flag signals and Code of Conduct.
- It is the competitor's responsibility to ensure their vehicle meets, at least the minimum safety/eligibility requirements of this Schedule and all other relevant Schedules to the National Sporting Code. (Appendix Two Schedule A 3)

5.4 Driver's Briefings

A Drivers Briefing will be at 8:00am on Sunday 8th December 2024 in pit lane, near the start-line flag point.

A written Driver's Briefing may be provided to entrants ahead of the event.

5.5 Compulsory Frontal Head Restraints (FHR)

The Hampton Downs Circuit owners have mandated the use of Frontal Head Restraints (FHR) for all "speed" events.

- For vehicles which have a 4-point harness or greater, there are various tethered devices available. Hampton Downs have deemed the following to be acceptable: Hans, NecksGen REV, Impact Accel or Simpson Hybrid.
- For vehicles fitted with a standard lap and diagonal 3-point belt system a Foam roll/collar type is deemed acceptable.

5.6 General Starting Procedures for all Races & Events (per Schedule Z)

STARTING POSITIONS: Unless otherwise stated, the starting positions for all races will be determined by times recorded in Official Practice, and/or previous races, in accordance with Standing Regulations Appendix 4 Schedule Z 6.1, or, for handicap races, by the Handicapper in accordance with 6.2 (1).

STARTING PROCEDURE: will be confirmed at the driver's briefing. However, the order to start will be given by either lights or flag, in accordance with Standing Regulations Appendix 4 Schedule Z 8.1 (standing starts) or 8.4. (rolling starts)

At the completion of the formation lap, vehicles shall form up in their allocated grid position. Any vehicles due to start close to or more than a lap after the first vehicle(s) has started must form up in allocated single file order at pit lane exit.

RE-STARTING OF CLASSIC TRIAL EVENTS & SPRINT RACES, INCLUDING HANDICAP: where less than one lap has been completed the re-start will be deemed as a new race/event and will be restarted using the original grid positions. Should a second stop occur, the race/event will be declared complete and a result declared based on the last completed lap. If no laps have been completed, the organisers reserve the right to abandon that race/event or to re-run it later in the meeting.

5.7 Handicap Starting Procedure (per Schedule Z Section 8.5)

- At the completion of the formation lap, vehicles shall form up in their allocated grid position. Any vehicles due to start close to or more than a lap after the first vehicle(s) has started must form up in allocated single file order at pit lane exit.
- The vehicles shall remain stationary until the start signal for their group is given.
- Any vehicle not stationary when the signal to start is given will be adjudged to have made a false start.

5.8 Classic Trial Starting Procedure

- At the completion of the formation lap, vehicles shall form up on the grid in the usual manner.
- Once assembled the five (5) second board shall be displayed.
- When the starting flag is dropped the two (2) cars on the first row of the grid shall start.
- All remaining cars shall move forward one (1) grid row at a speed not exceeding 20 kph.
- The starter will then start the next row at an interval not less than two seconds.
- There will be no requirement for the cars to come to a complete halt.

5.9 Non-Accredited Series

- Organisers and Competitors in a series which is not accredited by Motorsport New Zealand are governed by the current Motorsport Manual for Scrutineering, Eligibility and Disciplinary Purposes.
- Series disputes must be resolved by the series organisers as the meeting officials are not empowered to make rulings on series which are not sanctioned by Motorsport New Zealand.
- These decisions may not affect any grid determinations and all races will be run in accordance with Schedule Z.

6. DOCUMENTATION AND SCRUTINEERING AUDIT INSPECTION

6.1 Documentation - Will take place at the track on Sunday 8th December, 2024 starting at 7:00 a.m.

6.2 Scrutineering Audit Inspection

- Scrutineering will take place on Sunday 8th December, 2024 starting at 7:00 a.m. Competitors will be advised at documentation if their vehicle has been selected for audit. It is preferred that competitors have their vehicles scrutineered before going to documentation. **NB: Scrutineering will take place in the Scrutineering Bay, and not Pit Garages 17/18.**
- Vehicles requiring an audit OR selected for audit are not permitted on the circuit until the audit process has been completed.
- Competitors should be aware of Schedule A or AA as applicable. Article 3 Paragraph 3 (1) (a) and (b) states that It is the competitor's responsibility to ensure their vehicle meets at least the minimum safety / eligibility requirements of this schedule and all other relevant Schedules to the National Sporting Code. Appendix two Schedule A or AA.

7. POSTPONEMENT CANCELLATION ABANDONMENT AND ORGANISERS' RIGHTS:

Pursuant to national Sporting Code Article 13, the organisers advise that if fewer than 75 entries are received by the entry closing date the meeting may be postponed or cancelled.

Should there be fewer than 15 entries received for any of the classes proposed in Article 3 of these Supplementary Regulations by the entry closing date, the organisers reserve the right to cancel that class or amalgamate it with another class at their sole discretion.
